Young Ambassadors

The Barron Chamber of Commerce Young Ambassadors have been busy promoting Barron. They have participated in local parades; Ridgeland, Barron, Chetek, Cameron, Cumberland, Birchwood, and Rice Lake, and have done a great job representing our community. A big thank you goes out to their parents for taking the time to drive in the local parades, and to Swant Graber for the use of a vehicle for those parades.

In conjunction with Barron FFA students, the Young Ambassadors cut down corn stalks for the annual Fall Festival business decorating contest. It was great to see all of the fall decorations around town. The Young Ambassadors were excited to be a part of Fall Festival, and it proved to be a very busy time for them. In addition to decorating, they participated by working at the children's games and had a float in the parade, which was awarded the most creative float.
